

Out of the East

Brethren,

My brothers, I hope that as you are reading this you are doing quite well. It has been a great year thus far and I have enjoyed my time in the east and am honored to serve you as Worshipful Master. This will be the last words from the East I will write and the last trestle board for the year. I would like to first give my thanks to the brothers who helped this year and the support of all of the Lodge members. This year would not have happen without you! Secondly I would like to thank my line officers as your work and devotion of time was essential and again, I could not have done it without you. We only have one more meeting this year. and I hope to see you all there as we vote on our line officers for next year. Also, do not forget the Christmas party on Dec. 8th. Please call myself or Tony for more information. Be on the lookout for the light up Lake Lillian as I am talking with the powers that be to participate this year. More on that as the details unfold.

I am very proud of all of you as you all have shown increased interest in the Lodge and again it has been my honor to serve you. There are some unfinished items of business still in the works and if I am able I will continue to work on those and finish what we have

started. Thank you all so very much and I hope to see you at the next meeting and in the New Year.

Joseph Ruger
Worshipful Master

Out of the west

Brethren,

Thank you W. Peek Hames and Brother Houston Dilley, for your dedication to our Lodge and your hard work in selling the Ribs left over from the Rib Fest. GREAT JOB. Another year is coming to an end, and some of what W. Joe Ruger started in his year will hopefully carry over into next year. We need to increase our visibility in the community and get involved in the communities activities. We had a great Past Masters night with WGM Stanley Hudson receiving his honorary membership. We also have a new Entered Apprentice studying for his catechism. The breakfast is going well ,but could use your support. We will have elections in December and don't forget about the Christmas party on December 8th. I look forward to seeing you there.

Tony Martin
Senior Warden

Out of the South

Brethren,

As we find another year coming to pass, we must reflect on what we can do to improve the Lodge in the coming year.

With declining membership, and even more ways to occupy our time, and fewer members attending Lodge, it becomes more demanding on the active members to raise funds to keep the doors open.

Yet, we must never loose site of the greatest reasons for our existence. I was recently given a book to read by our Senior Warden. It was titled "Reclaiming the Soul of Freemasonry" written by John Wm. Mc Naughton, Sovereign Grand Commander of the AASR Northern Masonic Jurisdiction. I urge every Mason to read it. I quote a statement by Brother McNaughton. "There is no greater achievement, and there is no greater honor for us as Freemasons than to restore the dignity to our Brothers in need."

I hope to see you at our meetings. Until then. May god bless you and keep you and your families safe and healthy.

H Roger Miller
Junior Warden
